### CBIZ Virtual Screening and Enrollment Portal Success Stories

Read real world success stories about how the CBIZ Virtual Screening and Enrollment Portal (VSEP) was utilized to qualify two patients for Medicaid that likely would never have completed the application process otherwise. [Learn More](#)

### Over-Utilization Denials, the Ultimate Monday Morning Quarter back

Over-Utilization denials are like going to a restaurant, ordering dinner and eating it. And then when the bill comes, American Express decides that a desert wasn't needed so they won't pay the bill. In this blog post our President Sam Donio talks about addressing why hospitals need to fight these denials. [Learn More](#)
